

**CLARIFICATION OF ASSIGNMENT AGREEMENT**

I, Brigham Field, being the sole author of the copyrighted works of authorship for the motion pictures listed below, and their U.S. Copyright Certificate of Registration numbers, for good and valuable consideration, receipt of which is hereby acknowledged, affirm that on February 8, 2011, I did sell, assign, transfer, convey, and deliver all of my right, title and interest in and to the copyrights for the motion pictures listed below exclusively to Malibu Media, LLC, a limited liability company organized and existing under the laws of the State of California which I own with my wife Colette Pelissier Field. This assignment includes all right[s], title and interest in and to the copyrights, including, but not limited to, each and every one of the exclusive rights set forth in 17 U.S.C. §106, and any and all rights associated with a pending copyright application, registration, correction, amplification, or supplement thereto, filed with the U.S. Copyright Office, and all other rights I did then have, including any rights I may have in foreign countries, and including all of the rights I may have acquired in the future, and all of my moral rights, rights to attribution and integrity rights, as well as the right to sue for past, present and future infringement. The foregoing assignment clarifies and more accurately memorializes the terms of the February 8, 2011 oral assignment and supersedes and replaces the existing written assignment recorded with the United States Copyright Office on September 13, 2012.
